## Upcoming Meeting

**Tuesday**

**June 7, 2011**

**Meridian Valley Country Club**

## RECOGNITION EVENT

Another great program (why do they come so close together in the Spring?) where we will recognize outstanding students who will be continuing their education towards a vocation with a scholarship from our Rotary Club.

This is a "don't miss" program and is very inspirational. These students will warm your heart! By all means, try to bring a guest to enjoy this one.

It's a great use of our club funds raised at last year's Escapades and it goes to a great cause.

Invocation: Perry Raak

Sgt-at-Arms: Deputy Dawn Colston

## Fish Experience!

There were 1079 fish, 9" to 11" released into the 'Ol Fishing Hole along with 40 fish 11" to 14". All rainbow trout. The weather was not the best and I think that held down the number of children fishing. Catching was not as good as I would like, again I think it had to do with the overcast weather. Next year better weather and more kids.

## Invocators Needed

The invocations before each meeting are given by volunteer club members - and now's your opportunity to be put on the list. You can lead a prayer or simple inspiration, your choice. If you'd like to be on the list, contact Perry Raak at perryraak@kenttrinity.org and let him know. If you can't make a scheduled week, simply exchange with another on the list.
