## The Brain Bender

### Last Week's Bender

In 1900, Seattle's population was 80,671. How many more people called this city home just ten years later? Twice as many? Three times? Five times as many people?

In 1910, nearly three times as many people called Seattle, WA home as its population grew to 237,194!

### This Week's Bender

Apporximately how old is Stonehenge believed to be?

- A) 1000 Years
- B) 2000 Years
- C) 3000 Years
- D) 4000 Years

... find the answer in next week's edition of the Nooz!

We are here to help! Installation of sewer back water check valves, sand bags, pumping and cleaning services. Fully equipped for all your emergencies and fire protection needs.
